We are more than 70,000 people looking at health care differently. We are many things, but every day we are one thing: **dedicated to the community.**

We are Northwell Health...

New York's largest private employer and health care provider, with 23 hospitals and more than 750 outpatient facilities

- Pioneering bioelectronic medicine research at the Feinstein Institute, including national clinical trial sites for treating lupus, rheumatoid arthritis and paralysis
- Treats more New Yorkers for cancer than any other health care provider
- Delivers more than 39,200 babies annually—17% of all births in NYS and 1% nationally
- One of the largest medical residency programs in the US, with 1,800+ residents and fellows
- Sandra Atlas Bass Heart Hospital recognized as one of top two cardiac surgery programs in US & Canada
- Six hospitals achieve top-50 national rankings from *U.S. News & World Report* in 32 medical specialties
- One of Fortune's 100 Best Places to Work for Diversity and Best Workplaces in Health Care and Biopharma
- Recognized as one of the nation's top employers for military veterans
- Six Magnet-designated hospitals recognized for nursing excellence
- Only hospital-based helicopter emergency transport service in the tri-state area
- One of TIME magazine's top innovators in 2018 for its development of "The Fin" amphibious prosthetic leg
- Lenox Hill Hospital the first on the East Coast to use the 3D video exoscope for neurosurgery
- Created New York State's first Center for Cancer, Pregnancy and Reproduction
- Cohen Children's Medical Center treats more pediatric cancer cases than another other children's hospital in New York
