

Dear Colleague,

Welcome to Lenox Hill Hospital, one of the tertiary hospitals of Northwell Health. It is our goal to provide our patients and physicians with the best possible experience while at Lenox Hill Hospital (LHH), Manhattan Eye, Ear, and Throat Hospital (MEETH), and Lenox Health Greenwich Village (LHGV). We believe that teamwork and communication is the key to success. The orientation material provided within this site offers insight into hospital leadership, Department Chairmen, pharmacy, infection control, medical records, dictations, professionalism and team work, parking, IT and contact information.

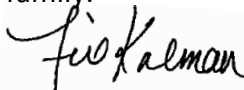

Lenox Hill Hospital is a 652-bed, acute care hospital located on Manhattan's Upper East Side. A staple in the community for more than 150 years, the hospital has earned a national reputation for outstanding patient care and innovative medical and surgical treatments. Composed of 20 highly regarded clinical departments and Chairmen, Lenox Hill Hospital offers a variety of services. You will soon discover what a unique and welcoming hospital Lenox Hill is. We encourage you to contact your department and leadership with any questions.

As practicing physicians, we strive to provide the most enjoyable environment for our patients. We firmly believe that the best environment for our patients becomes that for our medical, nursing and ancillary staff. Our continuous development would not be possible without the teamwork and dedication displayed from our team members. Lenox Hill Hospital welcomes your feedback so that we can continue to give our patients the best experience.

Again, welcome to the Lenox Hill Hospital family.
