

The Sandra Atlas Bass Campus

Administration

Dear Colleague,

Welcome to North Shore University Hospital. You are joining a facility which has been dedicated to providing exceptional care to our community since we opened our doors in 1953. We are a dynamic hospital that is constantly evolving to meet the changing needs of our patients. Our mission is to be a resource to the local community, region, and health system with the ability to provide specialized care to patients with complex illnesses.

At North Shore University Hospital, in addition to patient care we are committed to creating an environment that fosters physician engagement and alignment. We believe that teamwork, collaboration, and innovation are essential to patient care. Our administrative team and I are readily available at the phone number and email address listed below. I encourage you to contact me should issues arise.

I urge you to attend our physician forum that meets bimonthly on the fourth Wednesday of the month at 6pm in the Kaufman Boardroom, which is located on the first floor of the hospital. The physician forum allows our administrative team to understand and respond to the needs of our medical staff.

I look forward to working together.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Gitman".

Michael Gitman, MD, FACP
Medical Director, NSUH
