

Dear Colleague:

On behalf of the Medical Staff, we welcome you to Northern Westchester Hospital. You are here because you believe in our mission to provide the highest quality diagnostic and treatment services for our community, while assuring access to a coordinated continuum of healthcare services. We seek to improve and protect the health of individuals in the community through programs that promote healing and wellness. You also believe in our vision to provide the highest quality healthcare within a supportive community setting and state-of-the-art facility.

The Officers of the Medical Staff are here to represent your interests to the Medical Board, Board of Trustees and Administration as well as others in the community. Participating and supporting your medical staff and hospital plays an integral part in our continued success.

As a member of the Medical Staff, dues as per our bylaws are mandatory and payable each January for all active members of our medical staff. Your dues help support many important Medical Staff activities and initiatives and we truly appreciate your continued contribution.

The Medical Staff holds two meetings each year in March and September. Our March meeting is a general business meeting held in the conference centers at the hospital. The September meeting is a social celebration in honor of our recent retirees from our medical staff and announcement of the "Physician of the Year". The hospital also hosts an annual gala. The gala is a special evening which includes dinner and dancing, with special tribute to a physician honoree.

The Medical Affairs Office is open Monday-Friday from 7:30am to 5:00pm managed by Josephine Shapiro. Ms. Shapiro, Nancy Acevedo, Tina Romeo and Laura Prinz are available to assist with any question or issue that should arise. The main number is 914-666-1308 or Josephine's direct line 914-666-1279. In addition, Susan Shapiro, Medical Staff Liaison is available to assist you in navigating the hospital as a new staff member. Susan can be reached at 914-666-1383. The Medical Staff Office is located on the first floor of the North Building. Feel free to stop by anytime or call the office with any questions.

We wish you all the best in your professional and personal endeavors and look forward to you being a part of the Northern Westchester Hospital Community.

Sincerely,

Warren Bromberg, MD
President, Medical Staff

Debra Spicehandler, MD
Treasurer, Medical Staff

Sergio Bures, MD
Vice President, Medical Staff
