We are 62,000 people looking at health care differently.
We are many things, but every day we are one thing:
dedicated to the community.

We are Northwell Health...

- New York’s largest private employer
- One of the nation’s largest health care systems
- 22 hospitals, 6,675 hospital and long-term care beds, about 3,900 employed physicians and 15,000 nurses
- More than 550 outpatient facilities
- Hofstra Northwell School of Medicine
- Hofstra Northwell School of Graduate Nursing and Physician Assistant Studies

Caregivers

- Nearly **14,000** affiliated physicians, including about **3,900** employed doctors and more than **2,800** members of **Northwell Health Physician Partners**
- More than **15,000** nurses
- More than **4,725** volunteers

Economic impact

- **\$11 billion** annual operating budget
- More than **62,000** employees — the largest private employer in New York State
- Service area of nearly **11 million** people

Community impact

Northwell Health contributes more than **\$1 billion** in community benefit (12.65 percent of operating expenses) by participating in more

than **3,800** unique programs, serving **5 million** community members and training **20,000** health professionals.

Operating statistics

- **2 million+** patients treated annually
- Over **4.3 million** patient encounters
- Nearly **42,000** births
- **286,690** hospital discharges
- **816,903** emergency visits
- **732,171** home health visits
- **184,323** ambulatory surgeries
- **106,422** ambulance transports

...more than a health system.
