8. **Atul Palkar**-ATS Conference, San Francisco 2016, Diagnostic performance of PA: A ratio combined with contrast reflux grade on CT for pulmonary hypertension

Courses at regional, national or international meetings:

**Paul Mayo, MD: Master Teacher Honor Lecture, CHEST International Meeting, Montreal, Canada 2015, American College of Chest Physicians**

1. Course Faculty, Critical Care Ultrasonography, ISICEM Meeting, Brussels, Belgium March 15-16, 2015
2. Lecturer, Ultrasound and Airway Management Topics, ISICEM Meeting, Brussels, Belgium March 17-20, 2015
3. Course co-leader, 3 day course on Critical Care Ultrasonography sponsored by ACCP Glenview, Ill. April 2-4, 2015
4. Course co-leader, 3 day course on Advanced Critical Care Echocardiography sponsored by ACCP Glenview Ill. May 28-30, 2015
5. Course Director, Cooperative Ultrasound Course New York, NY July 25-27, 2014
6. Course leader for project to train 119 first year pulmonary/critical care fellows in ultrasonography
7. Course co-leader, 3 day course on Critical Care Ultrasonography sponsored by ACCP Glenview, Ill. September 10-12, 2015
8. Course Director, Cooperative Ultrasound Course New York, NY July 25-27, 2014
9. Course leader for project to train 119 first year pulmonary/critical care fellows in ultrasonography
10. Course co-leader, 3 day course on Critical Care Ultrasonography sponsored by ACCP Glenview, Ill. September 10-12, 2015
11. Faculty, European Society of Intensive Care Medicine Annual Meeting, Berlin, Germany October 3-7, 2015
12. Lecturer on several topics related to critical care ultrasonography
13. Hands on trainer at critical care ultrasonography course
15. Team Leader, Multi-day ultrasound training project
16. Lecturer at several general sessions on ultrasonography
17. Chair, One day post graduate course on advanced critical care echocardiography
18. Faculty, International Course on Echocardiography for Hemodynamic Monitoring, Erasme University Hospital, Brussels, Belgium November 17-19, 2015
19. Lecturer/hands-on trainer 3 day course on advanced critical care echocardiography
